Dear Calvary 'Ohana:

God calls us to be generous in all areas of our lives, to express gratitude for our many blessings. As one body with many members, God has given each of us different gifts and talents in order to complete the ministry we are called to do. Each of us is needed.

It is your sharing of these gifts and talents that makes a real difference in the lives of others as we carry out God's work. Your time and talent, financial support, and emotional support for each other allow our congregation to significantly impact the lives of individuals, by being able to provide Sunday School to our children, offer Stephen Ministers to those in need, share God's Word through music, art and dance, feed our hungry through Angel Network Charities, and support our Synod as well as international missionaries. It also provides the necessary financial resources for maintaining our buildings and grounds and funding the day-to-day operation of the church and its personnel throughout the year. These are just a few examples of how your generous gifts and talents make all of the ministries of Calvary possible.

As we plan for the upcoming year and the ministry we are called to do, we invite you to prayerfully consider ways in which you might grow in the generous giving of your self, your time, your talents, your financial resources. Enclosed you will find a pledge form which will give you the opportunity to share your gifts for the upcoming year, and a Simply Giving form to complete if you find it convenient to give electronically. Please bring your pledge form with you to our Gratitude Attitude Luncheon after church on November 13th or mail it to the church office.

Thank you for your generous support. Through our giving comes our greatest joy.

Yours in Christ,
